Community Food and Nutrition funds were awarded to NDSU Extension Service to create a cookbook providing economical recipes and tips to stretch your budget. The “Steps to Healthy, Economical Meals” cookbook incorporates menu planning, food safety and provides suggestions on how to cook with foods such as dry milk, dried cranberries and venison. The cookbooks are being distributed by the Community Action Agencies, NDSU Extension, the Family Nutrition Program and the Extended Food and Nutrition Education Program, and are now on-line on the NDSU FoodWi\$e website: <http://www.ag.ndsu.edu/foodwise/recipes.htm>.
