NOTES

INTRODUCTION

Article III of the North Dakota Constitution guarantees the right of the people to recall any elected official of the state, of any county or of any legislative district. Section 44-08-21 of the North Dakota Century Code (NDCC) guarantees the right of the people to recall an elected official of all other political subdivisions. This pamphlet is designed to acquaint you with the laws and procedures associated with the recall process.

GETTING STARTED

REVIEW THE LAWS - North Dakota Constitution and the NDCC: You will find it helpful to familiarize yourself with the main sections of law that apply to the recall of elected officials. Recall of state, county, and legislative officials is governed by Article III, sections one and ten of the North Dakota Constitution which is reproduced for you on page 7. Recall of officials of other political subdivisions relating to signing and circulating recall petitions is found on pages 8-10.

***Note:** The difference between the recall petition of state, county, and legislative officials according to Article III of the North Dakota Constitution and the recall petition of political subdivision officials according to NDCC § 44-08-21 is that a recall petition according to NDCC § 44-08-21 must include the stated reason for the recall. A recall petition of state, county, or legislative officials according to article III of the North Dakota Constitution does not require a stated reason for the recall.

DRAFTING THE PETITION: Drafting a recall petition is not difficult. The petition must include the name of the person being recalled (a separate petition is required for each official being recalled), the office for which that person is being recalled, a list of the sponsoring committee members (see below), space for qualified voters to sign, date, and include their residential address, rural route or general delivery address, and a circulator affidavit.

When the petition is for the recall of an elected official of a political subdivision according to NDCC § 44-08-21 the petition must include the stated reason or reasons for the recall and be approved as to 'form only' prior to circulation by the Secretary of State. The Secretary of State shall complete the review of the form of a recall petition in not less than five, nor more than seven, business days, excluding Saturdays. A recall petition with the required number of signatures must be submitted to the appropriate filing officer within ninety days after the date the recall petition is approved for circulation by the Secretary of State. You may use the sample petition on pages 11 and 12 as a guide. Of course you should tailor your petition to the specific official and political subdivision for which the recall effort applies.

SPONSORING COMMITTEE: A petition for recall must include a listing of the names and addresses, including the residential addresses, rural route or general delivery addresses, of not less than five qualified voters of the state, political subdivision, or district in which the official is to be recalled who are sponsoring the recall.

SPONSORING COMMITTEE AFFIDAVITS: All sponsoring committee members (for recalls dealing with city, school board and township officials) must complete an affidavit (see page 13). The affidavit is a sworn statement by the sponsoring committee member that the member is a qualified North Dakota voter and has agreed to be on the sponsoring committee. The form does require the signature of the sponsoring committee member to be notarized. This form is not required when recalling an official of the state, of any county, of any legislative or county commissioner district.

Caution: Sponsoring committee members may not notarize the affidavit of other committee members, and husbands and wives may not notarize each other's signatures. The names and addresses of the sponsoring committee members on the front page of the petition must match exactly with the names and addresses found on the affidavits. The signed name on the affidavit, if different than the printed name, should be used on the petition.

GATHERING SIGNATURES

AMOUNT REQUIRED

State, County, or Legislative Officials: An amount equal in number to twenty-five percent of those who voted at the preceding general election for the office of governor in the state, county, or district in which the official is to be recalled. The Secretary of State or County Auditor will be able to provide you with the exact number of required signatures.

Political Subdivision Official: An amount equal in number to twenty-five percent of the voters of the political subdivision who voted in the most recent election that the official sought to be recalled was on the ballot, not including other recall elections. An official who was appointed to fill a vacancy is subject to recall by petition of electors equal in number to twenty-five percent of the voters who voted in the most recent election the office in which the official sought to be recalled was on the ballot, not including other recall elections. The County Auditor, City Auditor, or Business Manager of the school district, as the case may be, will be able to provide you with the exact number of required signatures.

WHO CAN CIRCULATE AND SIGN PETITIONS: Petition circulators and signers must be qualified voters of the area affected by the petition. Circulators must sign an affidavit attached at the end of the petition (see page 10 for an example of a circulator affidavit) stating that the persons signing the petition did so in the presence of the circulator and that to the best of the circulator's knowledge each person signing the petition is a qualified voter of the area affected by the petition.

Caution: *Sponsoring committee members may not notarize a circulator's affidavit. Doing so will disqualify all the signatures on that single petition copy.*

Caution: *Only one circulator may collect signatures on any single copy of a petition. If more than one circulator were to collect signatures on the same petition copy, neither circulator could truthfully sign the affidavit found at the end of the petition.*

Caution: *Petition circulators should instruct petition signers to sign legibly and to add the date and their entire address (including residential address, rural route or general delivery address, city, state, and zip code) to the petition.*

Caution: *Petitions must be signed in the presence of the qualified circulator. Signatures collected on an unattended petition constitute an improper signing practice and places all signatures on the single petition copy at risk. Circulators should be near and in control of petitions as they are being signed.*

Caution: *Circulators wanting to sign the petition should not sign the petition they circulate. Rather they should sign a petition carried by another circulator. Due to the fact that a circulator must sign an affidavit at the end of the petition swearing to the qualifications of the signers, the circulator acts, in a sense, as a notary to the signers. Since a person may not notarize his or her own signature, a circulator should not sign the copy of the petition he or she is circulating.*

SUBMITTING SIGNATURES TO THE PROPER OFFICER

WHERE TO FILE SIGNATURES: The recall petition with the required number of signatures should be filed with the official with whom a petition for nomination to the office in question is filed, unless that official is the person subject to recall, in which case the petition must be filed with the Secretary of State. The following list summarizes the proper filing offices:

RECALL OF

State or Multi-County District Official
Member of the Legislature
County Official
City Official
School Board Official
Township Official

FILE PETITION WITH

Secretary of State
County Auditor of member's residence
County Auditor
City Auditor
School Business Manager
Township Clerk

When filing the signatures with the appropriate filing officer, the chairperson of the sponsoring committee of the recall petition must submit a notarized affidavit attesting to the fact that to the best of that person's knowledge, the petitions contain at least the required number of signatures. A copy of the affidavit, **Signature Affidavit Recall Petitions** (SFN 52363), is found on page 14.

SIGNATURE REVIEW BY THE FILING OFFICER: Upon receipt of a petition with the required number of signatures, the official with whom the petition is filed has up to thirty days to review the signatures. The official may conduct a representative random sampling of the signatures contained in the petitions by the use of either post cards, telephone calls, or other accepted information gathering techniques to determine the validity of the signatures. Signatures determined to be invalid will not be counted and all violations of law will be reported to the proper authorities for prosecution.

CALLING THE ELECTION

If the filing officer finds the petition valid and sufficient, the filing officer shall call a special election. The name of the official to be recalled shall automatically be placed on the ballot unless the official resigns within ten days after the filing officer certifies the petition is valid and sufficient. Other candidates for the office may be nominated in a manner provided by law and shall file nominating papers with the appropriate filing officer by the thirty-third day before the scheduled recall election. When the election results have been officially declared, the candidate receiving the highest number of votes shall be deemed elected for the remainder of the term. No official shall be subject to recall twice during the term for which that official was elected. Recall elections of political subdivision officials must be held not sooner than fifty days nor later than sixty days following the date the filing officer certifies the petition valid and sufficient. No special election may be called if that date would be within ninety days of the next scheduled election. An official whose term expires at a regularly scheduled election occurring within one hundred ninety days after the date the petition is submitted to the Secretary of State for approval for circulation is not subject to recall. After a recall petition has been submitted to the filing officer for review, a signer's name may not be removed from the petition.

NORTH DAKOTA CONSTITUTION - ARTICLE III - Powers Reserved To The People

Section 1. While the legislative power of this state shall be vested in a legislative assembly consisting of a senate and a house of representatives, the people reserve the power to propose and enact laws by the initiative, including the call for a constitutional convention; to approve or reject legislative Acts, or parts thereof, by the referendum; to propose and adopt constitutional amendments by the initiative; and to recall certain elected officials. This article is self-executing and all of its provisions are mandatory. Laws may be enacted to facilitate and safeguard, but not to hamper, restrict, or impair these powers.

Section 10. Any elected official of the state, of any county or of any legislative or county commissioner district shall be subject to recall by petition of electors equal in number to twenty-five percent of those who voted at the preceding general election for the office of governor in the state, county, or district in which the official is to be recalled.

The petition shall be filed with the official with whom a petition for nomination to the office in question is filed, who shall call a special election if he finds the petition valid and sufficient. No elector may remove his name from a recall petition.

The name of the official to be recalled shall be placed on the ballot unless he resigns within ten days after the filing of the petition. Other candidates for the office may be nominated in a manner provided by law. When the election results have been officially declared, the candidate receiving the highest number of votes shall be deemed elected for the remainder of the term. No official shall be subject twice to recall during the term for which he was elected.

SECTION 44-08-21 - RECALL PETITIONS

44-08-21. Recall of elected officials of political subdivisions. An elected official of a political subdivision, except an official subject to recall pursuant to section 10 of article III of the Constitution of North Dakota, is subject to recall by petition of electors equal in number to twenty-five percent of the voters who voted in the most recent election that the official sought to be recalled was on the ballot, not including other recall elections. An official who was appointed to fill a vacancy is subject to recall by petition of electors equal in number to twenty-five percent of the voters who voted in the most recent election that the office of the official sought to be recalled was on the ballot, not including other recall elections. The provisions of section 1 of this Act, as they relate to signing and circulating recall petitions, apply to petitions under this section.

A recall petition must include a stated reason for the recall and be approved as to form prior to circulation by the secretary of state. The secretary of state shall complete the review of the form of a recall petition in not less than five, nor more than seven, business days, excluding Saturdays. To be effective, a recall petition must be submitted to the appropriate filing officer within ninety days after the date the recall petition is approved for circulation by the secretary of state.

Once circulated, the recall petition must be filed with the filing officer with whom a petition for nomination to the office in question is filed unless that filing officer is the person subject to recall, in which case the petition must be filed with the secretary of state. The filing officer with whom the petition is filed shall pass on the sufficiency of a petition pursuant to Section 1 of this Act. Except as otherwise provided in this section, the filing officer shall call a special election to be held not sooner than fifty days nor later than sixty days following the date the filing officer certifies the petition valid and sufficient. No special election may be called if that date would be within ninety days of the next scheduled election. An elector's name may not be removed from a recall petition.

The name of the official to be recalled must be placed on the ballot unless the official resigns within ten days after the filing officer certifies the petition is valid and sufficient. Other candidates for the office may be nominated in a manner provided by law and shall file nominating papers with the appropriate filing officer by the thirty-third day before the scheduled recall election. If the official resigns, the appropriate political subdivision governing body may call a special election or appoint a person to complete the un-expired term of the office. When the election results have been officially declared, the candidate receiving the highest number of votes is elected for the remainder of the term. No official is subject to recall twice during the term for which the official was elected. An official whose term expires at a regularly scheduled election occurring within one hundred ninety days after the date the petition is submitted to the secretary of state for approval for circulation is not subject to recall.
