

FREQUENTLY ASKED QUESTIONS

WHAT ARE ONLINE LIBRARY RESOURCES?

Online Library Resources are reliable online research tools, providing credible information in a variety of formats including full-text articles, images, maps, transcripts, audio, and video clips. Most of this information can be printed, cited, e-mailed, and saved.

HOW CAN I ACCESS ONLINE LIBRARY RESOURCES?

Online Library Resources can be accessed at your library, through your library's website, or through the State Library website at www.library.nd.gov. If you forget your login information or have questions about accessing the Online Library Resources, please contact your library, school, or the North Dakota State Library.

WHERE CAN I GO FOR HELP?

The State Library has developed training aids to help you get the most out of Online Library Resources. Guides and tutorials are available on the State Library website. You may also contact your library, school, or the North Dakota State Library for personal assistance and training.

NORTH DAKOTA STATE LIBRARY ONLINE LIBRARY RESOURCES

FOR K-12 RESEARCH

Homework is hard. Finding reliable information is easy! Using Online Library Resources, you can find accurate, grade-specific information on a wide range of subjects. Rest assured that students will not be distracted by advertisements, inappropriate content, spyware, viruses, or other pitfalls that can accompany Internet browsing.

Reliable information, easy searching, and 24/7 access is exactly what you can expect from North Dakota's Online Library Resources. It's information for your K-12 research!

PARTNERSHIPS

The North Dakota State Library, the Online Dakota Information Network (ODIN) and North Dakota libraries partner with Minnesota and South Dakota to bring you Online Library Resources in an economical way.

FOR YOUR LIFE

Car repairs driving you crazy? Want to research your family ancestry but don't know where to start? Find the answers to these and many other questions by using Online Library Resources at your library. Researchers of all ages will find Online Library Resources easy to use and convenient - available 24 hours a day, 7 days a week.

FOR PROFESSIONAL RESEARCH

Journal articles, peer-reviewed publications, images, company profiles, business-related newspapers, and more are at your fingertips when you use Online Library Resources. You can be confident that the information is accurate, easy-to-find, and invaluable to your professional, business, or academic research.

Looking for a specific SWOT analysis? Having trouble finding credible sources for your research paper? Need resources that will help you start your own business? Look no further than North Dakota's Online Library Resources. It's information for your professional research!

SERVICES FOR LIBRARIANS AND EDUCATORS

One of the goals of the State Library is to be a leader in the library and information field. This means that the State Library will do everything possible to assist and support libraries throughout North Dakota. Field Service representatives are available to provide training on all of our Online Library Resources.

The State Library provides training in many aspects of library services, in a variety of formats including video tutorials, interactive webinars, and on-site training.

The State Library provides free trainings at your school for teachers and students. Sessions teach the databases and research strategies. Trainings can be adapted to fit class schedules and the specific audience. Trainings are available based on availability and are free of charge.
