

Welcome to *In English*

You will find learning with *In English* is productive and enjoyable. Thousands of students have learned English using it. *In English* will definitely help you learn to listen, speak, read and write in American English. Every word used in this program is defined in the VOCABULARY segments of the videos/CDs/DVDs.

In English consists of 20 videos/CDs/DVDs and 5 workbooks. The first 12 videos/CDs/DVDs (Volume 1, Units 1-4), present the workbook exercises on the videotapes/CDs/DVDs, including the answers to the exercises and tests. After you have completed the first 12 videos/CDs/DVDs, you will have learned basic English and how to use the program.

Learning a second language is not easy. The most important recommendation is that you invest the time. In addition, find a family member or friend to watch the videos with you and practice.

Here is how to use *In-English*. Use the videos/CDs/DVDs in sequence, according to their video/CD/DVD number.

Unit 1, Lesson 3:

1. PRONUNCIATION. The teachers ask you to listen and repeat. All of the words in

the VOCABULARY list are pronounced. You have time to pronounce the words after the speaker. If you do not know what the words mean, listen again to the VOCABULARY in Lesson 1.

2. QUESTIONS on the SCENE. The teachers ask you to open your books to page 4. Open your book to page 4. The SCENE plays and the video stops. The question is asked, "Is this a jet?" The answer is then shown in writing on the screen: "Yes, this is a jet." The answers are provided in this manner for the first 3 questions. On the fourth question, the video stops and the question is asked, "Are the passengers in the terminal now?" The answer is spoken, "Yes, they are." Next, the question appears in writing, "Are the passengers in the terminal now?" and a blank line appears. Next, the answer is written, "Yes, they are." The first time you watch this lesson, watch and listen to all the QUESTIONS and answers. Next, return to the beginning of the QUESTIONS and start again. Stop the video at each question before the answer appears and see if you can write the answer correctly. You may want to use a separate piece of paper before writing in your book. Then, confirm that your written answer is correct. Make sure your capital letters and punctuation match the correct answers. If they do not match, repeat the question until you can write the correct answer.
3. VOCABULARY. The words in the VOCABULARY segment from the verbs through the expressions are shown again. Do you know these words now?
4. Homework. The teacher asks you to open your book and read the SCENE. Can you do this now? If there are words that are still difficult for you, review them in the VOCABULARY section.

Now, you can go on to Lesson 4. It is on the same video/CD/DVD.

Unit 1, Lesson 4:

1. DIALOG. The teachers ask you to listen. Watch and listen to the DIALOG. How much did you understand?

3. DIALOG. The teachers ask you to open your book to page 10. Watch, listen and read the DIALOG.
4. DIALOG (Modeling by the Teacher). The teacher asks you to listen. Listen to the DIALOG as the teachers read. The teachers do this twice.
5. DIALOG (Teacher/Student Interaction). The teacher first reads the part of Susan and asks you to read the part of Richard. Read Richard's part. Next, the teacher reads Richard's part and asks you to read Susan's part. Read Susan's part. How did you do? Find a friend or family member to practice with.
6. WRITING, Page 8. The teacher asks you to open to the WRITING on page 8. Watch and listen how the teacher makes questions out of statements. For example, "I am a pilot." The question for this statement is, "Am I a pilot?" Practice writing the questions on a piece of paper before you write the questions in the

space provided in your workbook. Practice saying the questions aloud and answering them aloud.

7. VOCABULARY (Verbs Through Expressions). This section of the VOCABULARY is repeated. Listen. By now, you should be able to pronounce and understand these words.

The teacher reads the EVALUATION and fills in the blanks. Watch and listen to the EVALUATION all the way through. See if you can fill in the blanks correctly in your workbook. If you are stuck, review the answers by playing the EVALUATION section again, or look at the SCENE on page 1 of your workbook. Complete only the first half of the EVALUATION. You will do the last half in Lesson 6.
9. Homework. The teacher asks you to read the DIALOG yourself and then asks you to read the DIALOG with a friend. You may want to review the DIALOG several times.

Video/CD/DVD 13 – Volume 2, Unit 5:

Video/CD/DVD 13 has a different format than Videos/CDs/DVDs 1-12. It consists of:

Unit 5:

SCENE
 VOCABULARY
 DIALOG
 PRONUNCIATION

*Put **Video/CD/DVD 13** in the VCR/computer/DVD.*

1. Beginning with Video/CD/DVD 13, the exercises are presented only in the workbooks and the answers are provided in this binder. For each unit, the video/CD/DVD shows the SCENE, VOCABULARY, DIALOG and PRONUNCIATION segments.
2. Beginning with Unit 5, the teachers no longer appear on the video/CD/DVD. Simply follow the same learning pattern you have used on the first 12 videos/CDs/DVDs.
3. Listen and watch the SCENE for Unit 5 and see how much you understand. This is the only time the SCENE for Unit 5 appears on the video.

4. Listen and watch the VOCABULARY. This is the only time the VOCABULARY appears on the video for Unit 5. Listen and watch the SCENE and VOCABULARY as many times as you need.
5. Open your Volume 2 workbook to the QUESTIONS for Unit 5. Return the video/CD/DVD to the beginning of the SCENE. Play the SCENE until the blue triangle appears. Freeze the video/CD/DVD and answer the QUESTIONS orally and in writing. Check your answers using the answer key in this binder. Return to the beginning and answer the QUESTIONS again. If you are having difficulty, listen and watch the SCENE and VOCABULARY again.
6. The DIALOG follows the VOCABULARY on the video. Listen to the DIALOG with your book closed. How much did you understand? Now, open your book to the DIALOG. Play the DIALOG and read along. If you don't know all the words and phrases in the DIALOG, review the VOCABULARY. Now, find a family member or friend and practice reading the different parts of the DIALOG.
7. Go to the WRITING exercises in your book. Using a piece of paper, complete the WRITING exercise. After writing the answers, see if you can say the questions and answers aloud. Check the answer key in this binder.
8. Turn to the EVALUATION exercise in the workbook. Read the EVALUATION and fill in the blanks. If you need help, go to the SCENE and find the answers. Read the SCENE slowly and pronounce every word.
9. Turn to the STRUCTURE section in your book. Read the STRUCTURE section. Find a family member or friend to take turns reading the STRUCTURE section.
10. Turn to the CONVERSATION section. Find a family member or friend to practice asking and answering these questions. The answers to these questions will vary, depending on who answers. These questions are excellent for practice with an English speaker.
11. Find the Unit 5 TEST at the end of the book. Give yourself the TEST. The answers are in the answer key in this binder.

You have completed the first 13 videos/CDs/DVDs. Are you learning? Make sure you know all the words from the VOCABULARY segment. If necessary, review the earlier videos. Watching the VOCABULARY again is good listening practice.

Each of the next 7 videos/CDs/DVDs in *In English* follows the same pattern as Volume 2, Unit 5. That is, the SCENE, VOCABULARY, DIALOG and PRONUNCIATION are on the videos. The QUESTIONS, the WRITING exercises, CONVERSATION, EVALUATION and the TEST are in the workbooks.

Follow the same learning pattern as Video/CD/DVD 13 (Volume 2, Unit 5) for the rest of the videos/CDs/DVDs. Watch the SCENE, learn the VOCABULARY, and learn to answer the QUESTIONS orally and in writing. Do the same with the WRITING exercise and the EVALUATION. Read the STRUCTURE and find a friend to practice the CONVERSATION with.

Now, proceed to Video/CD/DVD 14 (Volume 2, Unit 6), and keep learning!
