### DATE BOOK

April 5 - 9 .....	MPLA - Wichita, Kansas
14 - 15 .....	Governor's Advisory Council on Libraries, Bismarck
17 - 23 .....	National Library Week
22 .....	Academic Section Meeting State Library, Bismarck
29 .....	Spring Frolic (West) Bismarck
30 .....	Second Annual Trustee School Senate Chambers & State Library
May 6 .....	Spring Frolic (East) Carrington

SPRING FROLICS

The Trustees will be meeting concurrently with the Librarians during 1983 Spring Frolics. Both meetings will begin at 10:00 in the morning and end by 3:00 p.m. each day. Spring Frolic West will be held in Bismarck at the State Library and Spring Frolic East will be in Carrington at the Chieftain Motor Inn. A sign-up mailing will go out in late March.

\* \* \* \* \*

SPRING FROLIC - TRUSTEE SECTION

Some of the topics the Trustees will be covering include:

1. Little Red Riding Hood - Ione Simek, Bottineau trustee, has been an avid collector of Little Red Riding Hood memorabilia and has prepared an entertaining talk for adults on this well-known children's fairy tale.
2. Mona Garvey and Beyond! - North Dakota's master of public relations, Darrel Hildebrand (children's librarian at Bismarck Veterans Memorial Library) will present not only what can be done in North Dakota, but what has been done to motivate the public to "think libraries."
3. Little Trustees, Come Blow Your Horn! Visual aspects of how small and medium sized libraries are keeping the public's interest and awareness. Bring your slides, pictures, posters, bookmarks, newspaper articles and anything else your library has done or is doing! Do you have projects in the works? Come share your pride and ideas with us! Darrel Hildebrand was chosen by the American Library Association to judge public relations entries for the John Cotton Dana Award, and will show a video tape of examples of public relations projects from around the country.

Back by popular demand, the State Library will again begin publishing The Flickertale. Due to a lack of staff time and a decrease in printing money, there will be only four "newsy" issues per year and two directories (one listing librarians and one listing trustees)

LIBRARIAN'S REFERENCE WORKSHOP

A basic reference program concentrating on paperback (affordable!) reference materials will be held during the Spring Frolics, sponsored by the State Library and NDLA. The program is designed for all public libraries. Presenters of the workshop will be Tom Jones, director of the Veterans Memorial Library in Bismarck; Mary Jane Chaussee, assistant director of VMPL, Bismarck; Cheryl Bailey, director of the Mary College Library, Bismarck; and Mary Braaten, State Library, Bismarck. The reference program will run from 10 a.m. until 3 p.m. during both sessions of the Spring Frolics: April 29 in Bismarck (at the State Library) and May 6 in Carrington (at the Chieftain Motor Inn). Watch for registration blanks, which will be mailed to all public librarians and trustees in late March. See you there!!

\* \* \* \* \*

SECOND ANNUAL TRUSTEE SCHOOL

The second annual Trustee School will be held Saturday, April 30th, in Bismarck at the State Library and in the Senate Chambers. As the State Library did last year, we will again pay 10¢/mile round trip and lunch for two people from each board to come to the school. And we will pay for overnight lodging, dinner and breakfast for two people on each board if they are at least 150 miles from Bismarck. The program will be from 10 a.m. to 3 p.m. and will include the following:

1. Library Trustees - Who Are We?
2. North Dakota Library Law - Introduction and familiarization of library law from Section 40-38 to State Aid to Libraries.
3. Library Budget and Budget Planning - Program budgeting, zero based, line item.
4. Overview of North Dakota Libraries - A look at geography, services and types of libraries throughout North Dakota - Also, Network for Knowledge, Advisory Council on Libraries, and the North Dakota Library Association.
5. Services and Tour of State Library - Registration forms and a more detailed program will be coming late in March.

STATE LEGISLATION

A great big "Thank You!" to all of you in the library community who have called, written and visited your legislators concerning Senate Bill 2012, the State Library Appropriations bill. As of March 1, the bill has passed the Senate without cuts in the Governor's recommendation. SB-2012 is currently in the House Appropriations Committee. I'd especially like to thank the trustees and librarians who have testified and/or attended the two committee hearings. Your testimony and presence at these hearings have made it clear to the Legislature that the North Dakota library community works together to bring library service to all North Dakotans.

\* \* \* \* \*

LEGISLATIVE DOCUMENTS

The Legislative Assembly, Legislative Council, and the State Library cooperatively sponsored the distribution of all North Dakota House of Representatives and Senate Bills and Resolutions to thirty libraries across the state this year. Along with the bills and resolutions, a bill status report and the daily House of Representatives and Senate Journals were sent to the thirty libraries. The Legislative Assembly paid for the UPS distribution to the libraries. Legislative Council librarian, Marilyn Guttmerson and State Library personnel, Ruth Mahan and Mary Braaten, conducted workshops in December for librarians on the use of these materials. Workshops were held in Bismarck, Minot, Grand Forks and Fargo. The thirty libraries that have been receiving the documents were those that indicated an interest in the program in response to a questionnaire sent to them last Spring. A survey inviting comments on the program will be mailed to the participating libraries at the end of the legislative session. The following libraries received the documents: Bottineau County, Devils Lake, Bowman, Ellendale, Griggs County, Harvey, Rugby, Kidder County, Linton, Mandan, Minot, Valley City, Bismarck, Dickinson College, Minot College, NDSU-Bottineau, Standing Rock (Ft. Yates), Research Center (Mandan), Rolla Hospital, State Hospital (Jamestown), Grand Forks, NDSU, UND, Mayville College, UND-Williston, Valley City College, School of Science, Film Library (Fargo), UND Law Library, Veterans Hospital.

STATE AID TO PUBLIC LIBRARIES

The 1981 Legislature appropriated \$1.1 million for State Aid to Public Libraries for the 1982/1983 biennium. In fiscal year 1983 the last half (\$550,000) was distributed in two checks: December, 1982 and March, 1983. Formula for distribution is: city libraries - \$1 per capita; county libraries - \$1 per capita plus \$5 per square mile. Eligibility requirements include maintaining required mill levy and proper library board. State Aid money is spent primarily for books, magazines and reference materials, followed by keeping the library open more hours; audio-visual materials, building maintenance, and supplies. For some libraries State Aid money constituted one-half to three-fourths of their book budget. A Loss of State Aid would severely hamper collection growth.

State Aid money distributed in 1983

TECHNOLOGY TASK FORCE

The Technology Task Force Committee met with Hank Epstein, a library networking consultant from Madison, Wisconsin, on February 2 and 3 at the Veterans Memorial Library in Bismarck. He has developed a technology awareness workshop which he presented to the committee. Committee members are attempting to develop a system which will allow all libraries to directly access the state's library collections. The present system allows libraries with OCLC to locate materials, but OCLC is thus far limited to larger libraries and since all OCLC libraries do not have their total collections in the system, it further limits the access that is potentially possible. Mr. Epstein is in the process of writing a report to the committee that will outline alternatives to OCLC for smaller libraries. His report will be duplicated and distributed to all public and academic library directors for their perusal. An informational meeting entertaining feedback from the directors regarding the report will be held later this spring. Committee members are: Ruth Mahan, State Librarian; Tom Jones, Veterans Memorial Library, Bismarck; Dick Barton, NDSU, Fargo; Ed Warner, UND, Grand Forks; Ted Giese, Minot State College; Dave Boilard, UND, Grand Forks; Harry Belgarde, Turtle Mountain Community School, Belcourt; Marilyn Guttromson, Legislative Council, Bismarck; and Mary Braaten, State Library, Bismarck.

NOTES ON STATE LIBRARY PERSONNEL

SUSAN GRIFFIN has been on staff at the State Library for two and one-half years. Sue maintains the Union Catalog, coordinates the Mail-Order Books Program with Grand Forks Public Library, assists with reference and retrospective conversion of the library collection, and answers the phone.

Sue's home state is Maine where she received a B.A. degree in German from the University of Maine at Orno. She also attended the University of Salzburg, Austria for one summer. Before settling

STATE LIBRARY PERSONNEL (cont.)

in Bismarck, she and her husband Bill lived in Georgia, Wyoming, and Jamestown. Sue does volunteer work at Prairie Public Radio in Bismarck and enjoys playing the guitar and knitting in her spare time.

CHERYL THOMPSON, technical services assistant, helps in cataloging new books, processes and inputs cataloging information on the OCLC terminal, reclassifies old materials, and files card catalog items. Originally from Virginia, Cheryl has lived in North Dakota since 1976. Prior to joining the State Library staff in May of 1981, Cheryl was a retrospective conversion computer operator at Veterans Memorial Library in Bismarck. Cheryl's interests include sewing, crocheting, ceramics, and swimming.

LEEILA BINA, newest employee at the State Library, joined the staff December 1 as head of cataloging. She was previously employed at the State Library from 1974-1976. In her present position she organizes the cataloging department, works with reference, coordinates the computer terminal training for staff throughout the state, and is the MULS (Minnesota Union List of Serials) coordinator for North Dakota. Leeila received her masters degree in library science from the University of North Dakota in 1970 and has had experience in school libraries and the Harley E. French Medical Library at UND. She is married, has two children and enjoys cross country skiing, knitting, exercising, and watching hockey games.

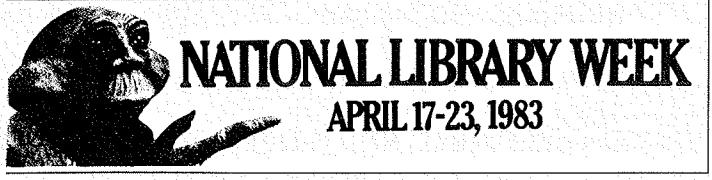

"Good books are to the young what the warming sun and refreshing rain of spring are to the seeds which have lain dormant in the forests of winter" -Horace Mann

NATIONAL LIBRARY WEEK

National Library Week approaches ... "Go for it! Use your library" is the theme this year for National Library Week (April 17-23). Make National Library Week the brightest ever with the many new and colorful materials that are available for your use. The

theme urges everyone to do their best and use the resources of the library to help win the race, get the job, solve the problem or even find the end of the rainbow! Included in the information packet this year is the new national symbol for libraries that ALA launched at its 1982 Annual Conference for use by U.S. libraries to promote awareness of their services. Other items include a number of arrow posters and a very colorful rainbow poster. There are two kits available:

- Economy Kit (01) ..... \$15.95
- Deluxe Kit (02) ..... \$23.90

The two kits and information on other materials can be ordered from:

American Library Association  
Public Information Office  
50 E. Huron Street  
Chicago, Illinois 60611

Telephone orders are accepted on orders totaling \$15.00 or more. Call: 312-944-6780, Extension 246. Allow at least four weeks for delivery. Another item that libraries might want to get is the READ series of posters (price: \$12.95). One of the posters has a Star Wars theme and encourages libraries to "Be a Jedi Master in Library Promotion and Let the ALA Force Be With You in 1983."

 Today's goals  
are yesterday's dreams ...

Today's dreams  
are tomorrow's opportunities 

TEN COUNTIES SERVED BY

MAIL -ORDER CATALOG

The State Library, in cooperation with Grand Forks Public Library, has initiated a program designed to bring books into approximately 11,800 households throughout the state. A mail-order book service is now available to residents of ten rural North Dakota counties. In late January a catalog listing 435 paperback book titles was mailed out to residents of the following counties: Benson, Billings, Burke, Dunn, Grant, Oliver, Sargent, Sheridan, Slope, and Steele. Included in the catalog are books of popular fiction, humor, biographies, self-help and religion. There are also listings for young adults and children. People wishing to receive books send their requests to the Grand Forks Public Library, where the Mail-Order Library is located. The Grand Forks staff processes the requests and mails the books to the patrons, who can keep the books for four weeks. The patron then mails the books back, along with a new order. The response to the service has been enthusiastic, to say the least! In the first three weeks of the program, 409 people requested material. This put a strain on the supply, so more books are being acquired to keep up with the demand. We knew there were some eager readers out there! We'll do our best to fill their needs!

\* \* \* \* \*

BLIND & PHYSICALLY HANDICAPPED  
SERVICE

North Dakota enrollments in the "Talking Book" program increased by 24% in 1982. A lot of that increase is due to the outreach work done by librarians throughout the state. On January 1, 1982, there were 950 patrons of "Talking Books," on January 1, 1983, that figure had increased to 1,177. This

BLIND & PHYSICALLY HANDICAPPED, cont.

is a large jump; however, there are about 10,000 North Dakotans who are eligible for the program, so much work still needs to be done. During the same period of time, circulation of books increased by 10% and circulation of magazines and newsletters increased by a whopping 106%! Public service announcements produced by the Library of Congress have been distributed to all of the television and radio stations in North Dakota and should start appearing in February and continuing for a year. We would appreciate hearing from any of you who have seen the spots on television or heard them on radio. Thanks for your good work in 1982!

\* \* \* \* \*

VOLUNTEER PROGRAM  
AT THE STATE LIBRARY

The State Library has established a volunteer program to provide tour guides for visitors during the legislative session. These volunteers donate at least four hours of their time each week. During this time they show visitors through our newly remodeled building, informing them of the various services available at the State Library, and assist the staff in different projects when time permits. To date we have appreciated the services of Ann Bucklin, Arlene Stocker, Peggy Ring, Gladys Bubach, Jo Davenport, Mary Doll, Leora Hewson and June Rahn. These volunteers have given tours to school children from as far away as New England; to Cub Scouts; to State Government agencies; to homemakers' groups; and to the spouses of Republican representatives in the State Legislature. After the session ends, most of the volunteers have expressed an interest in continuing to help each week to assist with special library projects that just do not get done in the course of an average day.

GOVERNOR'S ADVISORY  
COUNCIL ON LIBRARIES

The 1982-83 Governor's Advisory Council on Libraries appointments are as follows:

<u>Citizen Members</u>	<u>Term</u>
Ashton, Mrs. JoAnne 505 3rd Avenue E. Williston, ND 58801	7/15/81-9/30/83 phone 572-5911
Eccles, Mrs. Veronica 310 6th Avenue N. Grand Forks, ND 58201	7/15/81-9/30/83 phone 772-1917

Ext. 3025

The January, 1983 meeting was both informational and goal-setting. The Council heard reports on the Public Library Planning Committee, the Continuing Education Committee and the Legislative Committee from Tom Jones, Librarian at Bismarck Veteran's Memorial Public Library. Other committee reports were: Public Library Standards Committee, by Mary Braaten, Government Services Librarian at the State Library; Services to the Unserved, by Cyndy Schaff, Librarian at James Memorial Library, Williston; School Libraries, by Pat Herbel, Coordinator of Library Services and Elementary Curriculum, Department of Public Instruction; Technology Committee, by Dick Barton, NDSU, Fargo; Health Science Library Network, by Lorraine Ettl, Head of Public Services at Harley French Medical Library, UND, Grand Forks. In a goal-setting workshop, the Council chose the following five issues as the problems the Governor's Advisory Council on Libraries will address next year: (1) Service to the Unserved; (2) Public relations; (3) Clarify the function of the State Library; (4) Technology; (5) Assessment of needs of community (local, statewide, and special groups of people). For a complete copy of the Minutes of the last meeting, call Shirley. (224-2492)

# THAT'S INCREDIBLE

\* **BIGGEST BOOK**

**Super Book** was published in 1976 in Denver, Colorado. Measuring 9 feet x 10 feet 2 1/8 inches, it is 300 pages long and weighs 557 lbs.

\* **SMALLEST BOOK**

**Ari (The Ant)** was published in Tokyo, Japan in 1980. It has 20 pages and measures 1/18 x 1/18 inches.

\* **OLDEST AUTHOR**

Alice Pollock of Surrey, England was 102 years 8 months old when her book **Portrait of My Victorian Youth** was published in 1971.

\* **YOUNGEST AUTHOR**

When she was 4 years old, Dorothy Straight of Washington, D.C. wrote a book entitled **How the World Began**. It was published by Pantheon Books in 1964.

\* **AMAZING READER**

Lyle Koehler of Cataract, Wisconsin read over 500 books in 1963 and repeated the feat in 1964. In one week he read 19 books and in one month 70½. Books averaged 300 pages.

\* **FAST READER**

Thurman Wade of Wilmington, California was clocked reading 6,200 words a minute. He scored 90 to 100 percent in comprehension tests on what he had read.
