A Result List is displayed and defaults to showing All Results. It is easy to limit your results using the limiters under **Refine your results** on the left. The Result List can also be filtered to view results by source type, such as Academic Journals, Magazines, or Newspapers, by clicking the checkboxes next to the desired source type and clicking **Update**. You can view your search terms, any applied limiters or expanders, and selected subject terms in the **Bread Box** above the limiters.

**EBSCOhost Research Databases**

EBSCOhost is a powerful online reference system accessible via the Internet. It offers a variety of proprietary full text databases and popular databases from leading information providers.

The comprehensive databases range from general reference collections to specially designed, subject-specific databases for public, academic, medical, corporate and school libraries.

**EBSCO Support Site**

EBSCO's [Support Site](#) is available 24 hours a day, 7 days a week. Our FAQ database, tutorials, and user guides can provide answers to your technical questions.

EBSCO Customer Support Representatives are also available by [phone](#) and [e-mail](#) 24 hours a day, Monday through Friday, as well as Saturday and Sunday from 9 a.m. to 5 p.m. (US EST).

**How to Use Help**

- When the Help icon appears, you can click the icon and help for the screen you are on will display.
- To obtain help for the database(s) you are searching, click the Help icon to the right of the **Find** field and click on the Database name at the bottom of the left-hand side of the Help window. Database help is also available from the Choose Databases window.
- To view the entire Help System, click the [Help](#) link at the top right-hand corner of the screen.

**Note:** The recommended screen resolution for EBSCOhost is 1024 x 768.
